

PRESS RELEASE
13 Maj 2019

Ny General Manager för Enics Sweden AB

Per-Anders Hallberg har utsetts till General Manager för Enics Sweden AB

Per-Anders har gedigen erfarenhet från ledande befattningar inom produktion och strategiskt ledarskap. Han har arbetat i olika tillverkande företag som produktionschef, verkställande direktör och ansvarig för Norden-verksamheten. Till detta kan läggas en lång bakgrund inom det svenska försvaret.

ENICS GROUP

Mikko Lassas

About Enics

Enics is the partner of choice for professional electronics in the fields of energy, industrial automation, transportation, building automation and instrumentation. As one of the largest electronics manufacturing services (EMS) providers in the world in the Industrial Electronics segment, Enics helps industrial OEMs to optimize their value chains and improve their competitiveness through increased productivity and product reliability as well as decreased time-to-money and total cost of ownership. Enics provides end-to-end EMS services ranging from engineering, full-scale manufacturing and after sales services to sourcing and supply chain management. Enics' world-class offering includes fast prototyping, new product introduction, cost reduction services, test system development, printed circuit board assembly, box build, system assembly, as well as repair and maintenance.
